Dear Wealden Wheels Member

We have a number of things to update you on starting with the changes within our fleet.

Both Millie (small Transit) and Mandy (16-seat Transit) were starting to show signs of age, so a decision was made to replace them. Additionally, the 15-seat luxury Mercedes bus on loan from K.C.C. was recalled. We first sold Mandy to a chap who planned to convert her into a campervan and travel to Portugal to live. She was replaced by a much newer version, still a Ford Transit with 16 seats and still called Mandy, but having covered barely 14k miles! Next, a generous offer was accepted for Millie and the proceeds of this sale were put towards the purchase of a VW Caddy – see overleaf – who we decided to call Marvin.

The name Marvin came about having made arrangements to purchase the vehicle from a young lady in Manchester as it was her late father's car. Wanting to continue the protocol of identifying our vehicles by names beginning with 'M' we rather hoped the previous owner had

been called Mike or Malcolm but alas he was Brian! However, Hayley his daughter gave this some thought and suggested that as her father was an ardent guitarist and a lifelong fan of The Shadow's guitarist Hank Marvin, we adopt that! We've since sent pictures of Marvin to Hayley and she's absolutely delighted that the vehicle is in our care and being used in her father's memory.

With the arrival of the two new vehicles we decided to take the opportunity to refresh the livery and to 'tweak' our logo.

The New Mandy

Three out of our four vehicles are now wheelchair accessible and we thought our logo should reflect the changing needs and inclusivity of our membership. The revised logo now contains the recognised blue wheelchair symbol.

Another exciting addition to the fleet is a motorised mobility scooter. This was generously donated to us by the East Kent Stroke Association and can be easily transported in Marvin (or Mollie and Meg), so a full day out for someone who struggles with walking any distance is now possible.

Introducing Marvin

Fish & Chips or Afternoon Tea?

Again this summer, the most popular destination for group outings is Dymchurch, home to both Beach 48 Fish & Chip Restaurant and The Corner House Tea Rooms.

Both are located on the High Street so just a stone's throw from the sandy beach and far-reaching promenade. There's an incredible group deal to be had when travelling with Wealden Wheels!
